

Company Establishment – Issues to Consider

- Determination of company name and searching
- Appointment of Directors and secretary
- Drafting constitution/using replaceable rules
- Class and type of company
- Share structure and share allotment
- Shareholders
- Designation of registered office/principal place of business
- Obtaining consent of office holders and members
- Appointment of Auditor
- ASIC compliance
- Tax File Number registration
- GST registration
- Tax implications for shareholders
- Maintenance of company records
- Entitlement to state or federal government assistance
- Shareholder agreement – see below
